Patents

Axinn has been shortlisted for three LMG Life Sciences Americas Awards for the firm's work in the life sciences sector. The firm has been shortlisted for the "Hatch-Waxman Litigation Firm of the Year – Generic" award. Partner Matthew Becker has been shortlisted for the "Hatch-Waxman Litigator of the Year – Generic" award, and partner Chad Landmon has been shortlisted for the "General Patent Litigator of the Year – New England" award.

The winners will be announced at the annual awards event, which will be held in-person in New York City on September 7.
