Axinn is proud to announce that more than half of our partners have been ranked in the 2025 Chambers USA Guide – with recognition in three major markets including New York, California and District of Columbia. Several practitioners were recognized in multiple sub practice areas including Antitrust: Litigation Specialists and Antitrust: Cartel.

In addition to multiple Band 1-ranked partners across Antitrust, IP, and Litigation, the firm earned Band 1 recognition for New York Antitrust and the newly added Connecticut Intellectual Property category. We were also newly recognized for Antitrust: Cartel – Nationwide.

Managing Partner Jeny Maier commented, “We’re gratified to be recognized by Chambers for our ongoing commitment to excellence. These rankings highlight the hard work and dedication of our entire team, and it’s incredibly rewarding to see our clients’ feedback reinforce the impact we’re making in key practice areas.”
