

# FTC claims diverging market from EU in Mars/Kellanova clearance

MEDIA MENTIONS | LESS THAN 1 MIN READ

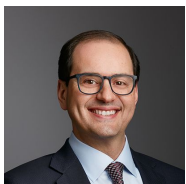

June 26, 2025

Partner [Craig D. Minerva](#) was quoted in the Global Competition Review article “FTC claims diverging market from EU in Mars/Kellanova clearance” on the FTC’s approval of Mars’ \$36 billion acquisition of Kellanova. While the FTC cleared the deal, the European Commission has launched its own investigation.
