Axinn partner [Aziz Burgy](#) and counsel [Rebecca Clegg](#) will speak at American Conference Institute's *Forum on Pharma & Biotech Patent Litigation USA*, being held October 14-15 in New York.

On October 14, [Aziz](#) will speak on "Hatch-Waxman Lightning Round: Examining New Trends in Paragraph IV Litigation." Panelists will discuss:

- Examining Paragraph IV litigation trends around patent thickets
- Understanding how new interpretations of the safe harbor will impact your litigation strategies
- Examining prior art exceptions to the on-sale bar
- Determining litigation targets; and
- Deconstructing inducement of infringement and skinny labeling as a strategy and a threat.

On October 15, [Rebecca](#) will speak on "The Second Generation of *Collect*: How Obviousness-Type Double Patenting Has Changed the Game." Panelists will discuss:

- How patent litigation has been impacted since the *Collect* decision was handed down;
- Developing effective litigation strategies in a post-*Collect* landscape;
- Taking down PTAs with *Collect* in your toolkit; and
- Considering the patent rights of *CRISPR* technology.
