Why Leading Companies Turn to Axinn

Focusing on antitrust, intellectual property, and high-stakes litigation, our extensive teams in the U.S. possess deep knowledge and client-side experience across a range of sectors, including technology, healthcare, life sciences, and consumer products.

- Our track record of obtaining global clearance of combinations of significant rivals has built Axinn's reputation as a "go-to" firm for strategic mergers and acquisitions

- We are lead defense counsel to some of the world's largest companies in high-stakes treble damages, class action, and multi-district litigations, as well as federal and state investigations

- We are creative, tenacious, and experienced trial lawyers who deliver favorable results in must-win cases

- Over 400 years of collective IP experience

- Extensive experience in patent and trade secret trials, appeals, and U.S. Patent Office practice, including IPRs
