On October 7, Axinn partner Brian Johnson will speak on the “Strategic Patent Enforcement for Operating Companies” panel at Centerforce’s *IP Strategy Summit: Palo Alto*.

Panelists will discuss:

- Aligning patent enforcement with corporate strategy and competitive positioning;
- Evaluating when to litigate, license, or pursue alternative dispute resolution;
- Managing litigation risk and reputational concerns as an operating company; and
- Optimizing collaboration between in-house teams, outside counsel, and funders.
