On October 23, Axinn Chief Operating Officer Ann Westover will speak on the “Invisible Ink: Reputational and Operational Risk Assessment” panel at Thomson Reuters’ *Annual Law Firm COO & CFO Forum*.

In today’s complex environment, law firms face evolving reputational and operational risks with far-reaching implications. From high-profile cases to internal missteps, firms must navigate challenges that can quickly shape public perception. Panelists will explore how leadership can develop comprehensive strategies to safeguard reputation and ensure operational continuity amid shifting scrutiny.
