We are proud to announce that Axinn, in partnership with Living Group, Inc., has been recognized at Transform Magazine's 11th annual Transform Awards North America, which celebrates excellence in brand development, creativity, and strategic communication across all industries.

Together, we received Gold for Best Visual Identity from the Professional Services (Legal and Accountancy) and Bronze awards for Best Creative Strategy (Business), Best Implementation of a Brand Development Project, and Best Use of Copy Style or Tone of Voice.

Now in its 11th year, the Transform Awards North America honors exceptional work across the entire brand development process — from strategy and design to implementation and innovation. The awards celebrate organizations and creative partners that demonstrate best-in-class thinking and execution in branding and brand communications.

We are honored to be recognized alongside our creative partners at Living Group and among the leading brands and design teams across North America.
