State attorneys general are taking a more active role in merger control, with Colorado and Washington leading the way on new “mini-HSR” pre-merger notification regimes. In this episode, Axinn partner [James Hunsberger](#) co-hosts with Puja Patel to break down what these new state pre-merger filing laws require—and how companies and practitioners should navigate them alongside the federal Hart-Scott-Rodino Act.

Assistant Attorneys General Paula Pera Czollak and Bryn Williams join James and Puja to discuss the origins of the Uniform Antitrust Pre-Merger Notification Act, early lessons from the first months of filings in Colorado and Washington, key interpretive questions practitioners are raising, and what the spread of state mini-HSRs could mean for national antitrust enforcement.
