Axinn partner [Jimmy Attridge](#) will speak during a Federal Bar Association webinar titled “The DOJ’s Antitrust Whistleblower Rewards Program” on September 9.

Hear from the U.S. Department of Justice, defense counsel, and whistleblower counsel on the Antitrust Division’s new whistleblower reward program that announced its first award a mere six months after publicly announcing the program. The panel will cover the basics of antitrust claims and investigations, details of the antitrust whistleblower program, and the various considerations the new reward program raises for defense counsel, companies, whistleblower counsel, and the United States.
