## Antitrust

---

On September 24, Axinn partners Daniel Bitton and Jeny Maier participated in CompLaw's Antitrust Texas Conference in Houston. Daniel Bitton spoke on a panel entitled, "Every Company is an IT Company: Big Data and Innovation Issues." Jeny Maier moderated a panel entitled, "Mergers: Practical Considerations for In-House Counsel."

Daniel's panel discussed the key antitrust issues on the rise with Big Data and innovation now at the core of every company. Jeny's panel covered the best practice and trends in merger control and the challenges in multijurisdictional cases.
