On May 6, Axinn associate Kenina Lee participated in a webcast entitled, “DOJ’s Heightened Enforcement on ‘No-Poach’ Agreements: Hot Buttons to Consider” hosted by The Knowledge Group.

The panelists provided a comprehensive discussion of the DOJ’s recent enforcement initiatives on no-poach agreements. Speakers also presented emerging regulatory trends and developments in antitrust law and offered the best compliance practices as well as tips in drafting standard employment agreements to avoid legal liabilities.
