

Axinn Represents INEOS in U.S. Litigation

NEWS | LESS THAN 1 MIN READ

May 1, 2007

Axinn represented INEOS, the third largest chemical company in the world, in several major cases of significant strategic importance to the company. These cases included disputes over: rights to patented manufacturing process technology; access to critical feedstock in an integrated facility; the validity of a force majeure declaration in the wake of Hurricane Rita; the applicability of a right of first refusal clause to the sale of a catalyst plant; and the pricing mechanism in a critical, long-term supply contract.
