## We Know Pharma ... and They Know Us

Axinn is the go-to firm for IP matters of strategic importance and offers one of the leading pharmaceutical practices in the country. Our team combines its depth of substantive patent law and litigation experience with FDA and antitrust knowledge to offer clients a unique and holistic offering. Whether leading a patent trial on a blockbuster product or navigating the

complex FDA regulatory regime, Axinn enables pharmaceutical clients to bring their products to market in the most profitable manner possible.

We've worked on some of the most successful products in the pharmaceutical industry representing over **\$30 billion** in annual sales, including:
