On January 30, Axinn partner Bradley Justus will speak on the “Antitrust: Theories of Harm in Unilateral Conduct Cases Concerning Big Tech in the U.S. and Europe” panel at Global Competition Review’s *Law Leaders Global Conference*, being held January 29-31 in Miami.

Panelists will discuss:

- These increasingly complex, difficult-to-measure considerations in the context of unilateral conduct enforcement against Big Tech platforms.;
- Recent cases against Google, Apple, Amazon and Microsoft and;
- The similarities and differences between antitrust enforcement against Big Tech to enforcement in more traditional industries.
