On March 26, Axinn counsel Kenina Lee will speak on the “Antitrust Enforcement Trends and Policies in 2025: Unfair Competition, Merger Policies, Premerger Procedures” webinar, hosted by Strafford.

Speakers will discuss:

- What key priorities in antitrust enforcement are expected in the second Trump administration?
- Which sectors are likely to see heightened antitrust scrutiny under the new administration?
- Will antitrust agencies allow more deal fixes under the new administration?
- What will likely happen to the noncompete ban, the revised 2023 Merger Guidelines, and the disclosure requirements for HSR premerger filings going forward?
- What is expected to remain the same under Trump's second administration?
