

# Axinn Represents Berkshire Partners in the Antitrust Aspects of its Acquisition of Forcura and Medalogix

DEALS & CASES | 1 MIN READ

March 19, 2025

Axinn successfully represented Berkshire Partners in the antitrust aspects of the parallel acquisitions of two post-acute care software companies: Forcura, an intelligent workflow management company; and Medalogix, a clinical decision support company. Together, the two complementary companies create a leading healthcare technology platform that brings real efficiencies and improved patient care, starting with home-based healthcare and expanding across the broader healthcare industry. Berkshire is the majority owner of the combined company.

The team was led by partners [John Harkrider](#) and [Craig Minerva](#) along with associates [Laviana Alharmoosh](#), [Josh Jowdy](#), and [Megan Dill](#). The deal closed on March 19, 2025.
