AHLA Speaking of Health Law

On October 12, 2020 and March 5, 2021, Axinn partner Lisl Dunlop spoke on AHLA's *Speaking of Health Law* two-part podcast, "A Look at the Recent DOJ Complaint in *U.S. v. Geisinger*."

In part 1, speakers discussed the recent DOJ action in the *U.S. v. Geisinger Health and Evangelical Community Hospital* case. They addressed the DOJ's complaint and the antitrust concerns the agency action is looking to address. In part 2, speakers recap DOJ's March 3 settlement and how it addresses the issues raised in the complaint. They also discuss DOJ's approach to the complaint's no-poach allegations and the two civil class action lawsuits that were recently filed.
