Axinn partner and Chief Diversity, Equity & Inclusion Officer Leslie Overton moderated AHLA's *Speaking of Health Law* podcast in an episode entitled, "The Biden Administration's Changing Approaches to Antitrust in Health Care."

Leslie spoke with Peter Mucchetti, Partner at Clifford Chance US LLP and Cagatay Koc, Managing Director at Secretariat Economists, about the Biden Administration's changing approaches to antitrust in health care since the release of its July 2021 executive order on antitrust competition. They also discussed the administration's "all of government" policy approach to antitrust, recommendations for navigating merger reviews and antitrust investigations in the health care sector, considerations related to labor theories in antitrust framework, and what to expect from revisions to the merger guidelines.
