Axinn partner and Chief Diversity, Equity & Inclusion Officer Leslie Overton participated in ABA's *Our Curious Amalgam* podcast in an episode entitled, "Has the Risk of Information Exchanges Shifted? DOJ's Withdrawal of Healthcare Policy Statements."

For 30 years, companies in healthcare and other industries have relied on agency guidance immunizing certain kinds of information exchanges with competitors. Leslie Overton joined hosts Sergei Zaslavsky and Jaclyn Phillips to discuss how the DOJ's recent withdrawal of these safe harbors change the landscape.
