PRACTICE AREAS

Intellectual Property

Matt Becker's article, "Joint Infringement Post-Akamai: Understanding the Impact on Prosecution and Litigation Strategies," was published in *The Intellectual Property Strategist*. The two-part series "...aims to deconstruct the new joint infringement standard, provide insight into how the standard might be interpreted and provide practice tips for prosecution and litigation."

The first part in the series is entitled, "Exploring the New Joint Infringement Standard." The article was published in the magazine's January 2017 issue. An ALM subscription is required to access the article.
