

Interview on the FDA's Emergency Use Authorization Process for COVID-19 Vaccines

March 2021

ATTORNEYS

Landmon, Chad

PRACTICE AREAS

FDA

Intellectual Property

Pharmacy Times

Axinn partner Chad Landmon participated in a three part video interview with *Pharmacy Times*. They discussed the FDA's emergency use authorization (EUA) process for COVID-19 vaccines, such as the expedited process for the recently authorized Johnson & Johnson COVID-19 vaccine. Click below to access the interview.

Part 1: "How the FDA's Expedited EUA Process for COVID-19 Vaccines Works"

Part 2: "How to Discuss the FDA's Expedited EUA Process with Vaccine Hesitant Patients"

Part 3: "How the COVID-19 Pandemic Has Impacted the FDA's Approval Process"
