### PROFILE

Gabriella McIntyre is an associate in the Intellectual Property group in Axinn's Washington, DC office. Her practice focuses on patent litigation, particularly cases brought under the Hatch-Waxman Act, and complex commercial litigation. Gabriella received her law degree from the Antonin Scalia Law School at George Mason University, where she served as the Editor in Chief of the George Mason Law Review. She was a summer associate with Axinn in 2018.

### EXPERIENCE

- Negotiated a favorable settlement and dismissal of several copyright infringement matters for a pro bono client in the Eastern District of Virginia.
