PROFILE

Julie Chodos is the Chief Marketing and Business Development Officer at Axinn. In this role, she works closely with firm management and attorneys to increase market prominence by engaging in client strategy to facilitate relationship building, revenue growth, and continuously advance brand positioning.

Julie began her career as a litigator and for over 20 years has led marketing and business development teams in various industries, including tech, global accounting and consulting, and legal. She earned a JD from Elisabeth Haub School of Law at Pace University and holds an undergraduate degree in English from Lehigh University.
