PROFILE

Patrick Doyle is an associate in the intellectual property group in Axinn's San Francisco office. His practice focuses on a broad variety of litigation and patent matters across a diverse number of industries and technologies including speech recognition, mobile gaming, software, virtual reality, medical devices, cosmetics, and pharmaceuticals.

Prior to joining Axinn, Patrick worked for a prominent AmLaw 100 firm. Patrick received his law degree from the DePaul University College of Law. While in law school, he was a law student clerk at a prominent Chicago IP boutique and was elected to the editorial board for the *DePaul Law Review*. Patrick's article concerning the International Trade Commission's jurisdiction over the internet was published in volume 66 of the *DePaul Law Review*. He graduated with a Bachelor of Science in Electrical Engineering from Marquette University in 2014.
