

## Axinn Wins Antitrust Clearance for Movie Gallery's Acquisition of Hollywood Video

March 1, 2005

### ATTORNEYS

Axinn, Stephen

### PRACTICE AREAS

Antitrust

Axinn acted as antitrust counsel to Movie Gallery in its successful acquisition of Hollywood Entertainment. Our engagement included representation of Movie Gallery in avoiding the issuance of a Second Request from the Federal Trade Commission and in presenting arguments and evidence to the FTC in connection with its investigation of a rival bid from Blockbuster which was abandoned by Blockbuster once it became clear that the FTC intended to commence litigation to enjoin Blockbuster.
