Axinn successfully represented Alvogen before the Federal Trade Commission in connection with Alvogen's approval to buy the divestiture products in the proposed Mylan/Perrigo transaction. Mylan's bid for Perrigo is valued at \$25 billion, and Alvogen will acquire seven separate pharmaceutical products as a result of the FTC-mandated and approved divestiture. Alvogen was also approved to acquire the divestiture products in Pfizer/Hospira earlier this year. The FTC's Mylan press release can be found [here](#).

The Axinn team based in Washington, DC consisted of partner Michael Keeley, assisted by associate Kenina Lee.
