Chambers USA released their 2017 survey results and ranked the following Axinn practice areas:

- Connecticut – Litigation: General Commercial
- District of Columbia – Antitrust
- New York – Antitrust
- Nationwide – Antitrust (Recognised Practice)

In addition to the rankings, *Chambers* provided the following client feedback on the marketplace perception of Axinn:

"The team as a whole provides outstanding client service. I never have to worry about a missed deadline or an important, uncovered strategic point. They are on top of details so that I can focus on big picture strategy."
