

GCR 100 Ranks Axinn Antitrust Group in Top Categories

January 14, 2020

PRACTICE AREAS

Antitrust

Global Competition Review announced that Axinn was again selected in their annual survey, *GCR 100*. The firm's New York antitrust practice is once again recognized with an Elite ranking "among the top firms in one of the world's biggest markets." The Washington, DC antitrust practice also maintains its Highly Recommended ranking among antitrust and competition law firms in the nation's capital.

GCR 100 is a comprehensive, independent assessment of the world's top antitrust and competition practices. The survey provides qualitative analysis of antitrust groups in jurisdictions around the world.
