

GCR 100 Ranks Axinn Antitrust Group in Top Categories

December 11, 2020

PRACTICE AREAS

Antitrust

Global Competition Review announced that Axinn was selected for their annual survey, *GCR 100*. The firm's New York antitrust practice was once again recognized with an Elite ranking and "...remains a go-to firm for some of the most significant US antitrust matters..." The Washington, DC antitrust practice also maintained its Highly Recommended ranking.

GCR 100 is a comprehensive, independent assessment of the world's top antitrust and competition practices. The survey provides qualitative analysis of antitrust groups in jurisdictions around the world.
