Patents

Axinn has been ranked in multiple categories in Patexia Inc.'s 2023 ANDA Intelligence Report, including a second place ranking in the Best Performing Law Firms Representing Defendants category. The report evaluated all stakeholders in Hatch-Waxman cases including ANDA attorneys, local counsel, law firms, pharmaceutical companies and judges, and ranks top law firms and attorneys based on their activity and performance. Ranked firms and individuals are in the top ten percentile in their respective category. Axinn's rankings include the following:

- Best Performing Law Firms Representing Defendants – #2
- Best Performing Law Firms Overall (Representing Plaintiffs or Defendants) – #21
- Top 100 Most Active Law Firms Representing Defendants – #22
- Top 100 Most Active Law Firms Overall (Representing Plaintiffs or Defendants) – #37
- Best Performing Law Firms Representing Plaintiffs – #69
