

Jeannine Sano Named to The Recorder's List of 30 Women Leaders in Tech Law

September 7, 2023

ATTORNEYS

Sano, Jeannine

PRACTICE AREAS

Intellectual Property

Axinn partner Jeannine Sano has been named to *The Recorder's* 2023 list of Women Leaders in Tech Law. The award focuses on the top women attorneys whose recent achievements have contributed to progress at technology companies and in the law.

Jeannine has nearly thirty years of experience trying cases in prominent patent venues across the country, such as the Northern District of California, Northern/Eastern/Western Districts of Texas, Northern District of Illinois, and the Middle District of Florida, in addition to leading IPRs and CBMs before the Patent Trial and Appeal Board and investigations at the International Trade Commission. Jeannine has also scored victories at the Federal Circuit, the US Supreme Court, and at the California Court of Appeal on an issue of first impression involving the Uniform Trade Secrets Act.

Her cases encompass a variety of technology fields, including mobile communications, video processing, graphics, operating systems, CPUs, chipsets, memory, LCD manufacturing, IoT, and wireless networks.
